Monday 22nd -

Monday 29th Inclusive

Half Term Holidays

Dear Parents and Carers,

I have just returned back to school from the Year 8 Leavers' Service, where we celebrated the many significant achievements of our departing Year 8 students.

The pupils' song, dance and spoken words all provided evidence that they, both individually and collectively, have grasped the wide ranging opportunities which have been made available to them throughout their time at St. Osmund's Middle School. We are sorry to see them depart yet extremely grateful for all that they have given in return.

We have confidence that both the Thomas Hardye School and the Studio School can look forward to receiving an excellent cohort of students.

On reading the many positive end of year reports for the Year 5,6 and 7 students, it is clear that they also can all look forward to the next academic year full of optimism of further successes.

As is always the case at this time of year, staff move on to pastures new. We wish Mrs Haysom, Mr Van der Leij and Mr Hayward every happiness as they depart St. Osmund's and begin a new phase in their personal and professional lives. We thank them for all they have contributed to the school in their time here.

Finally, as I also depart I would like to express my gratitude to you, the parental body, for your support of the school. It appears to me that with so many external pressure and influences on our children, the partnership between home and school, must be stronger than ever if we are to provide children with the appropriate guidance and support.

St. Osmund's is a wonderful school, with your children at its core. Thank you so much for entrusting them into our care each and every day. May I wish you all a wonderful summer and I hope that you manage to spend quality time together as a family.

With my very best wishes,

Mr. J.J. Williams

(Headteacher)
