

Science Programme of Study

2018-2019

Year 5

Reversible Changes

Sound

Light

Keeping Healthy

Year 6

Forces

Changing and Separating Materials

Flowering Plants

Electricity

The Earth in Space

Ecology and Evolution

Year 7

Acids and Alkalis

Particle Theory and Solutions

Electricity and Magnetism

Cells, Diet and Digestion

Reproduction and Inheritance

Forces

Year 8

Light

Metals and Acids

Respiration

Space

Sound

Metals and Reactivity

Photosynthesis

Ideas and Evidence
