

Science Programme of Study

Year 5

Reversible Changes

Forces

Microbes

The Earth in Space

Life Cycles & Classification

Year 6

Electricity

Keeping Healthy

Separating Materials & Chemical Changes

Light

Evolution & Ecology

Year 7

Acids & Alkalis

Particle Theory

Cells, Diet & Digestion

Electricity & Magnetism

Reproduction & Inheritance

Solutions & Separating Mixtures

Forces

Year 8

Light

Respiration

Metals

Space & Forces

Metals & Reactivity

Sound

Photosynthesis

Ideas & Evidence
