

# Y6.6 People of God: How can following God bring freedom and justice?

The Old Testament pieces together the story of the People of God.

The story of Moses and the exodus shows how God rescued his people from slavery in Egypt.

Christians see this story as looking forward to how Jesus' death and resurrection also rescue people from slavery to sin.

Christians apply this idea to living today by trying to serve God and to bring freedom to others for example loving others, caring for them, bringing health, food and justice and telling the story of Jesus.
