

Colour Theory - Wassily Kandinsky

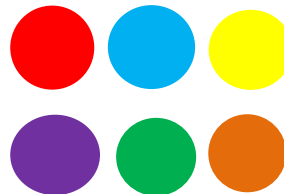

Objectives:

- To name the 3 primary colours
- To name the 3 secondary colours
- To understand what is meant by colour wheel
- To name complementary and harmonious colours
- To show good control when mixing colours
- To recognise characteristics of Kandinsky's work

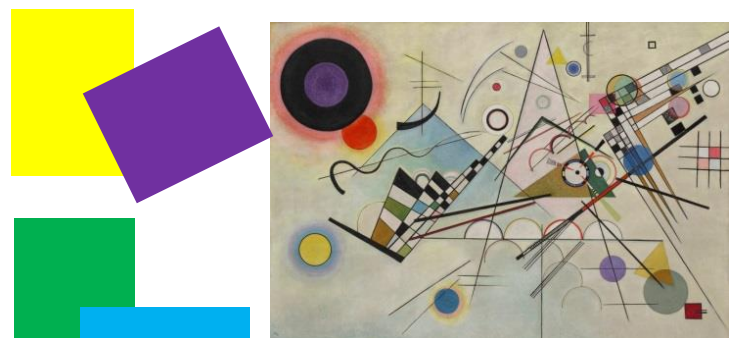

Wassily Kandinsky (1866 - 1944) was a Russian, expressionist painter and art theorist. He taught at the Bauhaus School of Art and he is credited with painting one of the first recognised purely abstract works. He often painted to music and it often influenced Kandinsky's work.

Key Vocabulary	
Primary colours	Red, blue and yellow (colours that cannot be made)
Secondary colours	Purple, green and orange (primary colours mixed together)
Complementary	Opposite colours on the colour wheel
Harmonious	Colours which are side by side on the colour wheel
Graduate	Gradually transitioning from one hue to another or one tone to another

Colour is a power which directly influences the soul.
