## SEXTING Advice for parents

## Not all teenagers are doing it, even if that's what they tell their friends

If it's happened and it's gone wrong

Stay calm, support your child

Take the device, don't screenshot, don't forward on

Speak to your child's school, they have the power to help

Remember: it is illegal, but the police will always help young people and safeguard them in the first instance www.dorset.police.uk/sexting
