Who is the group for ?

The Club is for any children aged 5 years & over with an Autistic Spectrum Disorder and their families.

We serve the Dorset Area and families come from across the county.

The club has its own lending library full of books about ASC.s and many related conditions which are available for loan to Club members for a small fee.

When you say 'Families' what do you mean ?

We are very keen that brothers and sisters of ASC children feel able to come along too.

It is an opportunity to socialise with other children who have autistic siblings or join in the activities if they wish.

We also welcome Grandparents of course too!

Various refreshments are always available.

Free Car-parking.

A small weekly fee is payable per family. The first week is free !

The group is run by a Steering Committee of parents.

Parents remain responsible for all of their children at all times whether they are at Budmouth College

What sort of activities happen at the club ?

Our aim is to provide activities at a pace and level to suit the needs of the members.

There is no requirement for children to take part if they do not wish to.

We have 'safe ' access to the Internet, Gaming Consoles, Outside Games (weather permitting) and Basic Crafts are available each week.

We also try to provide a specific activity, such as cooking, art or drama most weeks.

Where we can we enjoy off site activities to local venues.

To date these have included: Poultons Park, Monkey World & Warmwell Leisure Center. Further afield we have been to London too!
