

YEAR 5 UNIT 7
Multiplication and division (2)
Key Vocabulary

total,
equal,
place value,
partition,
digit,
add,
subtract,
grid method,
column method,
represent,
factor,
multiple,
multiply,
divide,
remainder

YEAR 5 UNIT 8
Fractions (1)
Key Vocabulary

equivalent,
numerator,
denominator,
mixed number,
convert,
sequence,
order,
multiply (\times),
multiple,
divide (\div),
dividend,
factor,
greater than ($>$),
less than ($<$),
equal to ($=$),
divisor,
quotient,
expand

YEAR 5 UNIT 9
Fractions (2)
Key Vocabulary

numerator,
denominator,
simplify,
fraction,
proper fraction,
improper fraction,
mixed number,
convert,
efficient,
equivalent fraction,
add (+),
multiply (\times),
divide (\div),
equal parts,
total, sum,
difference,
subtract (-),
difference

YEAR 5 UNIT 10
Fractions (3)
Key Vocabulary

operators,
add (+),
subtract (-),
multiply (x),
divide (\div),
fraction,
improper number,
numerator,
denominator,
equivalent,
mixed number,
simplify,
convert,
whole,
multiple,
factor,
part

YEAR 5 UNIT 11
Decimals and percentages
Key Vocabulary

percent,
percentage,
tenths,
hundredths,
thousandths,
decimal,
decimal place,
fraction,
place value,
digits,
decimal point
